IMPORTANT TAX CHANGES

INTEREST RATE. (36 M.R.S.A. §§ 186 & 186-A). Beginning July 1, 2004, interest is equal to the prime rate plus three percentage points, compounded monthly. Thus, the interest rate for January 1, 2004 through June 30, 2004 is 6% and, for July 1, 2004 through December 31, 2004, the rate is 7%. Beginning January 1, 2005, the interest rate is 8%.

HEALTH SAVINGS ACCOUNTS. (36 M.R.S.A. § 5122(1)(W)). Maine will not conform to the exclusion from income for amounts contributed to health savings accounts. For tax years beginning after 2003, Maine law requires taxpayers to add back to income amounts contributed to health savings accounts to the extent the amount is not included in federal adjusted gross income.

LONG-TERM CARE INSURANCE PREMIUMS DEDUCTION. (36 M.R.S.A. §§ 5122(2)(L) & 5122(2)(T)). For tax years beginning after 2003, self-employed taxpayers who claim a Maine deduction for long-term care premiums paid must reduce the deduction by any premiums already used to reduce federal income.

NONRESIDENT MINIMUM TAXABILITY THRESHOLDS. (36 M.R.S.A. §§ 5142(8) & 5220(2)). For tax years beginning after 2003, nonresident taxpayers whose only Maine income during the tax year is from personal services performed in Maine must file a Maine income tax return and pay a Maine income tax on that income if the taxpayer performed personal services in Maine during the tax year for more than 10 days, regardless of when or where the compensation is received.

NONRESIDENT SERVICEMEMBERS. The federal Servicemembers Civil Relief Act (50 U.S.C. § 511(d)) prevents states from including the military compensation of a nonresident servicemember in the total income when computing the applicable rate of tax imposed on other income earned by the nonresident servicemember, or their spouse, that is subject to tax by the state.

ITEMIZED DEDUCTIONS. For tax years beginning after 2003, taxpayers who include general sales tax paid in their federal itemized deductions are required to reduce Maine itemized deductions by the amount of sales tax claimed.

RESPONSIBLE PET OWNERSHIP CHECKOFF. (36 M.R.S.A. §5284-A). For tax years beginning after 2003, taxpayers may designate a portion of their overpayment or pay an additional amount to the Companion Animal Sterilization Fund. The fund is to be used for the spaying or neutering of cats and dogs.

MAINE MILITARY FAMILY RELIEF FUND CHECKOFF. (36 M.R.S.A. §5288). For tax years beginning after 2003, taxpayers may designate a portion of their overpayment or pay an additional amount to the Maine Military Family Relief Fund. The fund will provide grants to eligible families of persons who are members of the Maine National Guard or Maine residents who are members of the Reserves of the Armed Forces of the United States who have been called to military duty.

EMPOWERMENT ZONES. (36 M.R.S.A. §§ 5122(2)(B) & 5200-A(2)(C)). For tax years beginning after 2003, taxpayers may reduce Maine taxable income by an amount equal to the federal Empowerment Zone credit claimed for the taxable year.

BIOFUEL PRODUCTION TAX CREDIT. (36 M.R.S.A. § 5219-X). For tax years beginning after 2003, a new credit for the production of biofuel is available. Biofuel means "any liquid or gaseous product or energy source... that is derived from agricultural crops or residues or from forest products or byproducts, as distinct from petroleum or other fossil carbon sources." The credit is equal to 5¢ per gallon of biofuel produced. The credit cannot reduce tax liability below zero, but unused amounts can be carried forward for up to five taxable years. The taxpayer must obtain certification from the Maine Department of Environmental Protection as to the biofuel eligible for the credit.

ALTERNATIVE MINIMUM TAX. (36 M.R.S.A. § 5219-H). For tax years beginning after 2003, Maine tax credits, except the Pine Tree Zone Development Credit, may not be applied against the Maine minimum tax.

ALTERNATIVE MINIMUM TAX. (36 M.R.S.A. § 5203-A). Maine law now provides for a calculation of Maine alternative minimum taxable income for purposes of imposing the Maine alternative minimum tax. Previous law required that Maine alternative minimum tax be computed based on a percentage of adjusted federal tentative minimum tax. This change applies to tax years beginning after 2003.

HIGH-TECHNOLOGY CREDIT. (36 M.R.S.A. §5219-M). For tax years beginning after 2003, the qualifications for an acceptable lease arrangement resulting in the transfer of the high-technology credit from the lessee to the lessor have become more stringent. A qualified lessor is now defined to require that: 1) the equipment being leased must be used primarily in a high technology activity; 2) the lessor derives no more than 1/3 of aggregate lease payments from the lease of eligible equipment and; 3) the lease qualifies as a lease for federal purposes under Revenue Procedure 2001-28. A qualified lessor may claim a high-technology credit with regards to leased equipment only if the lessee waives the right to claim the credit.

PINE TREE DEVELOPMENT ZONE TAX CREDIT. (36 M.R.S.A. § 5219-W). A taxpayer engaged in the business of financial services, manufacturing or a targeted technology, as defined by 5 M.R.S.A. § 15301, that is located within a Pine Tree Development Zone may be eligible for certain tax benefits. To be eligible, the taxpayer must add new, full-time jobs that meet certain wage requirements and that offer the new employees retirement and health care benefits. For tax years beginning after 2003, a tax credit is available equal to 100% of the tax liability for each of the first five years the qualified business is required to file an income tax return with Maine. The credit is 50% of the Maine tax liability for each of the second five years the business is required to file an income tax return with Maine. Also, eligible businesses may, under the Employment Tax Increment Financing ("ETIF") program, receive 80% reimbursement of income tax withholding related to qualified Pine Tree Development Zone employees. The increased reimbursement applies to income tax withheld after 2003. In addition, sales tax exemptions apply beginning July 1, 2005 for tangible personal property incorporated into real property located in a Pine Tree Development Zone and for tangible personal property purchased directly by qualified development zone businesses. For more information, visit www.maine.gov/revenue.

Record-keeping Requirements

Keep a copy of your Maine income tax return, including worksheets, and supporting documents (such as W-2 and 1099 forms) for the same period required for keeping your federal income tax records. This is generally 3 years from the date the return was filed. You should keep some records longer. For example, keep property records (including those on your home) as long as they are needed to calculate the basis of the original or replacement property. See 36 M.R.S.A. § 135.

GENERAL INSTRUCTIONS

should I file a Maine income tax return? If you are a resident of Maine who is required to file a federal income tax return, you must file a Maine income tax return. If you are not required to file a federal return but do have income subject to Maine income tax resulting in a Maine income tax liability, a Maine return must be filed. You do not have to file a Maine income tax return if you meet all of the following requirements: 1) your Maine taxable income is \$2,000 or less, 2) you claim yourself as an exemption on your return, AND 3) you are not subject to the Maine Minimum Tax. However, you must file a return to claim any refund due to you.

If you are a nonresident who has income from Maine sources resulting in a Maine income tax liability, you <u>must</u> file a Maine income tax return. However, you may not be required to file if the number of days worked in Maine as an employee is 10 or less and your only Maine income is compensation for personal services. See 36 M.R.S.A. § 5142(8).

Am I a Resident, Part-Year Resident, or Nonresident?

To determine your residency status for 2004, read the following and check the proper box. Retain this worksheet for your records.

<u>Domicile</u>: Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.

RESIDENCY WORKSHEET

☐ Full-Year Resident:

(1) Maine was my domicile for the entire year of 2004;

OR

(2) I maintained a permanent place of abode in Maine for the entire year <u>and</u> spent a total of more than 183 days in Maine.

☐ Part-Year Resident:

I was domiciled in Maine for part of the year and was not a fullyear resident as defined in (2) above.

IF YOU ARE A *PART-YEAR RESIDENT*, YOU <u>MUST</u> FILE FORM 1040ME WITH SCHEDULE NR OR NRH.

□ Nonresident:

I was not a resident or part-year resident in 2004, but I do have Maine-source income. Note: If you filed as a nonresident alien on your federal income tax return, file as a nonresident alien on your Maine income tax return, Form 1040ME. Follow the federal filing requirements for filing status, number of exemptions, federal adjusted gross income, and itemized deductions.

IF YOU ARE A *NONRESIDENT*, YOU <u>MUST</u> FILE FORM 1040ME WITH SCHEDULE NR OR NRH.

For additional information on determining Maine residency, see the "Maine Revenue Services Guidance to Residency Status" brochure which can be downloaded at www.maine.gov/revenue (select Forms/Publications) or call the forms line at (207) 624-7894.

I AM IN THE ARMED FORCES, WHAT IS MY RESIDENCY STATUS?

Maine Resident: A Maine resident who enters the U.S. armed forces remains a Maine resident throughout the period of military service (even when absent from Maine on military orders) and is subject to the same filing requirements as any other Maine resident. This remains true unless you take legal action to change your residency (domicile) to another state.

Nonresident: If you are not a Maine resident, but are stationed in this state by military orders, your military income is not subject to Maine tax. However, if you or your spouse earned non-military pay in Maine resulting in a Maine income tax liability, you must file Form 1040ME with Schedule NR or NRH.

Instructions for Married Couples:

WE ARE BOTH FULL-YEAR MAINE RESIDENTS. HOW DO WE FILE WITH MAINE? You must file a Maine return using the same filing status as properly used on your federal return.

I AM A FULL-YEAR MAINE RESIDENT, BUT MY SPOUSE IS NOT. HOW SHOULD WE FILE? If you filed a joint federal return you have two options:

(1) You can choose to file a joint Maine return as if both of you were full-year Maine residents;

OF

(2) Each can file a Maine return as a single individual using **Form 1040ME with Schedule NRH**. Each return must show the proper residency status. (If the nonresident spouse has no Maine-source income, that spouse does not have to file a Maine return.) You may choose this option only if you filed a joint federal return. Otherwise, you must file a Maine return using the same filing status as properly used on your federal return.

WE ARE BOTH NONRESIDENTS, FILED A JOINT FEDERAL RETURN, BUT ONLY ONE SPOUSE HAS MAINE-SOURCE INCOME.

You have two options:

(1) You can choose to file a joint Maine return and determine your joint tax liability as nonresidents using Form 1040ME with Schedule NR:

OR

(2) The spouse who has Maine-source income can choose to file a return as a single individual using **Form 1040ME with Schedule NRH**.

WE ARE BOTH NONRESIDENTS AND BOTH HAVE MAINE-SOURCE INCOME. You must file a Maine return using the same filing status as properly used on your federal income tax return, and you must complete Form 1040ME and Schedule NR.

WHEN MUST I FILE MY RETURN? No later than April 15, 2005.

RETURN							
DUE DATE:	Αſ	PRII	2005				
April 15, 2005	SUN	MON	FRI	SAT			
						1	2
	3	4	5	6	7	8	9

	17	18	19	20	21	22	23
	24	25	26	27	28	29	30

WHAT IF I NEED MORE TIME TO FILE? If you are unable to file your return by Friday, April 15, 2005, Maine allows an automatic six-month extension of time to file. Requests for additional time to file must be submitted in writing prior to the expiration of the six-month period. Generally, the total extension period cannot exceed eight months.

CAUTION: AN EXTENSION TO FILE YOUR MAINE RETURN IS NOT AN EXTENSION FOR PAYMENT OF TAX. If you owe tax, you must pay at least 90% of that amount by the original due date for filing your return (April 15, 2005 for calendar-year filers) in order to avoid the penalty for late payment of tax. The remaining 10% must be paid when the return is filed on or before October 15, 2005 in order to avoid the failure-to-pay penalty. However, interest is charged on any tax paid after the original due date of your return.

Remit your extension payment with the payment voucher on page 8 by the original due date for filing your Maine return to: Maine Revenue Services, PO Box 9114, Augusta, ME 04332-9114. If you make a payment prior to filing your return, you <u>must</u> use a Long Form (1040ME) when you file your return.

WHERE DO I GET FORMS? Income tax booklets are available at most banks, public libraries, and post offices located in Maine. You may also download forms from the internet at www.maine.gov/revenue (select Forms/Publications) or order forms by calling (207) 624-7894. Note: you must file an original or downloadable state form – photocopies are not acceptable.

MAY I ROUND TO WHOLE DOLLARS? Yes. Round down to the next lower dollar any amount less than 50 cents. Round up to the next higher dollar any amount 50 cents or greater.

I AM GETTING A REFUND THIS YEAR. WHEN WILL I GET MY CHECK? Please allow at least eight weeks for your refund to arrive before you contact us. For automated information about the status of your refund request, visit our web site at www.maine.gov/revenue (select Where's My Refund) or call (207) 626-8461.

WHAT SHOULD I DO IF THERE IS A CHANGE IN MY MAINE TAX LIABILITY? You must file a Maine amended return if you file a federal amended return, if the Internal Revenue Service makes a change to your federal return, or if your Maine tax liability changes for any other reason. Individuals must file a Maine amended return (1040X-ME) within 90 days after filing a federal amended return or after receiving final determination of any change by the Internal Revenue Service. Maine imposes a penalty for failure to notify the state of these changes. When filing a Maine amended return, attach a copy of your federal amended return (Form 1040X) or the Internal Revenue Service agent's report to your form. If the change is to the Maine return only, include a description of the change on page 2 of Form 1040X-ME.

WHAT IF A TAXPAYER DIES? When an individual dies before filing a tax return for a given year, a personal representative or surviving spouse must file a return for the decedent. If the decedent was single and a refund is due, attach Form 1310ME (Statement of Person Claiming Refund Due a Deceased Taxpayer) to the return. A surviving spouse may claim a refund by filing a joint return with the decedent without Form 1310ME. The surviving spouse may file a joint return with the decedent provided similar filing was followed for federal purposes. Write "deceased" above the deceased taxpayer's name. Enter the date of death in the spaces above the signature area on your return.

WHAT IF THE FEDERAL TAX IS FORGIVEN DUE TO A COMBAT CASUALTY? A taxpayer whose federal income tax liability is forgiven under IRC § 692 due to a combat casualty is similarly forgiven the Maine income tax for the same period(s). To request tax forgiveness, include with your Maine return a statement that shows the computation of Maine tax liability before any amount is forgiven and the amount that is to be forgiven along with any other documentation supporting your claim.

WHAT IF I AM UNABLE TO PAY MY TAXES? If you are unable to pay your taxes in full, you should file your return by the due date and request, in writing, a payment plan. In your request, give your name, social security number, and the amount of money you can pay and indicate how often you can make that payment (example: \$25 per week). Your first payment should be submitted with the request and you should continue to make the payments as you have indicated until Maine Revenue Services contacts you. Indicate your name, address, telephone number and tax year on your check or money order. A payment plan request will not stop interest or penalties from being added to the tax balance. Requests should be forwarded to Maine Revenue Services, Compliance Division, 888 State House Station, Augusta, Maine 04332-0888. Also, you may call (207) 621-4300 or e-mail compliance.tax@maine.gov.

WHAT IF I FILE OR PAY LATE? You will be charged interest at 8% per year, compounded monthly, on income tax not paid by the due date (April 15, 2005 for calendar-year filers). An extension allows only additional time to file; it does not allow additional time for payment of tax due or prevent accrual of interest.

In addition to interest, a penalty is assessed for late filing. A separate penalty is assessed for the late payment of tax. The **penalty for late filing** is \$25 or 10% of the tax due, whichever is greater. If a tax return is not filed upon demand, the penalty for late filing is 100% of the tax due. The **penalty for late payment** of the tax is 1% per month up to a maximum of 25%. Both penalties are assessed when the return is filed late and the tax is paid late. The law also provides for penalties for underpaying estimated tax, preparing or filing a fraudulent income tax return, and for understating income.

WHAT IF I AM AN INNOCENT OR INJURED SPOUSE? Maine Revenue Services acknowledges Innocent and Injured Spouse Claims (see federal Form 8379 or Form 8857 and related instructions). The spouse is not required to request federal relief prior to requesting state relief. For more information call the Compliance Division of Maine Revenue Services at (207) 624-9595 or e-mail compliance.tax@maine.gov. If you believe that your refund may be set off to pay a debt owed to another agency, you must contact that agency directly to request injured spouse relief.

SHOULD I CHANGE MY INCOME TAX WITHHOLDING FOR 2005?

You may need to review your withholding if the amount of your refund or balance due is large. A married couple with two incomes may choose to use the optional withholding table designed for two-income families. See your employer for details. For withholding questions, contact Maine Revenue Services at (207) 626-8475 or e-mail withholding.tax@maine.gov.

who must file and pay estimated tax? Generally, you must pay estimated tax if your tax after subtracting withholding and other allowable credits is \$1,000 or more and if the tax liability for the prior year was \$1,000 or more. Equal installments of estimated tax are due on April 15, June 15, September 15 and January 15. Form 1040ES-ME is available at www.maine.gov/revenue (select Forms/ Publications) or by calling (207) 624-7894.

IS THERE A PENALTY FOR NOT PAYING ENOUGH ESTIMATED

TAX? Yes. If you did not pay enough estimated tax or have enough tax withheld from your earnings by any due date for paying estimated tax, you may be subject to a penalty. From January 1, 2004 through June 30, 2004, the underpayment penalty is 6%, compounded monthly. From July 1, 2004 through December 31, 2004, the underpayment penalty is 7%, compounded monthly. For calendar year 2005, the penalty is 8%, compounded monthly.

If your 2004 tax liability is \$1,000 or more, you should refer to Form 2210ME, Underpayment of Estimated Tax by Individuals.

WHAT IF I AM MOVING? Let us know your new address. E-mail: income.tax@maine.gov, or write: Maine Revenue Services, P.O. Box 9100, Augusta, Maine 04332-9100.

Line 31. Use Tax (Sales Tax). If you have purchased items for use in Maine from retailers who do not collect the Maine sales tax (such as businesses in other states and many mail order and internet sellers), you owe Maine use tax on those items. The use tax is calculated at the same rate as the sales tax. The rate of tax for purchases in 2004 is 5%. If you paid another state's sales or use tax on any purchase, that amount may be credited against the Maine use tax due on that purchase. If you do not know the exact amount of Maine use tax that you owe, either multiply your Maine adjusted gross income from line 16 by .04% (.0004) or use the table below. NOTE: If you use the percentage method or the table and owe use tax on items that cost \$1,000 or more, you must add the tax on those items to the percentage or table amount. Use Tax on items that cost more than \$5,000 must be reported on an individual use tax return by the 15th day of the month following its purchase. The use tax may be reviewed. If it is determined that you owe more use tax than what is shown on your return, you may be subject to an assessment for the additional use tax plus interest and penalty.

The taxpayer claiming the credit must attach to the income tax return a statement from the forester supporting the claim and a sworn statement that the credit has not been claimed in the previous 10 years. 36 M.R.S.A. § 5219-C.

Line 12. RESEARCH EXPENSE TAX CREDIT. The credit equals 5% of qualified research expenses incurred during the taxable year that exceed the average qualified research expense for the previous three tax years, plus 7.5% of the basic research payments determined pursuant to IRC § 41(e)(1)(A). Only expenditures for research conducted in Maine qualify for the credit. The term "qualified research" is defined in IRC § 41(d). The credit is limited to the tax liability of the taxpayer. Carryover provisions apply. Complete and enclose the worksheet available at www.maine.gov/revenue (select Forms/Publications) or by calling (207) 624-7894. 36 M.R.S.A. § 5219-K.

Line 13. RESEARCH & DEVELOPMENT SUPER CREDIT. Businesses whose research expenses increased by more than 50% over the average research expenses incurred in the 3 tax years immediately preceding June 12, 1997 qualify for the credit. The credit is equal to the excess over 150% of the 3-year average. It is limited to 50% of the net income tax due after other credits and may not reduce the taxpayer's tax liability to less than the net tax liability in the preceding year after other credits. Carryover provisions apply. Complete and enclose the worksheet available at www.maine.gov/revenue (select Forms/Publications) or by calling (207) 624-7894. 36 M.R.S.A. § 5219-L.

Line 14. HIGH-TECHNOLOGY CREDIT. Businesses primarily engaged in high-tech activities and that (a) lease, (b) purchase and use, or (c) purchase and lease computer equipment, electronic components and accessories, communications equipment or computer software placed in service in Maine and used in "high-technology activities" qualify. The credit is equal to the adjusted basis of eligible equipment for federal income tax purposes or the amount of lease payments made (by lessee) minus any lease payments received for the eligible equipment during the tax year. The lessor may claim the credit only if the lessee waives entitlement to the credit. The reimbursement period for the Business Equipment Tax Reimbursement must be reduced one year for each tax year the eligible equipment is included in the basis for the High-Technology Credit. Also, Maine taxable income must be increased by the amount of the investment credit base also claimed as a business expense for federal income tax purposes. In 2004, a change in the definition of qualified lessor was enacted by the legislature. A qualified lessor is now defined to require that: 1) the equipment being leased must be used primarily in a high technology activity; 2) the lessor derives no more than 1/3 of aggregate lease payments from the lease of eligible equipment and; 3) the lease qualifies as a lease for federal purposes under Revenue Procedure 2001-28. A qualified lessor may claim a high-technology credit with regards to leased equipment only if the lessee waives the right to claim the credit. This change applies to tax years beginning after 2003. Other limitations apply. Carryover provisions apply. Complete and enclose the worksheet available at www.maine.gov/revenue (select Forms/ Publications) or by calling (207) 624-7894. 36 M.R.S.A. § 5219-M.

Line 16. BIOFUEL PRODUCTION TAX CREDIT. A taxpayer is allowed a credit equal to 5¢ per gallon of biofuel produced. Biofuel means "any liquid or gaseous product or energy source... that is derived from agricultural crops or residues or from forest products or byproducts, as distinct from petroleum or other fossil carbon sources." The credit cannot reduce tax liability below zero, but unused amounts can be carried forward for up to five taxable years. The taxpayer must obtain certification from the Maine Department of Environmental Protection as to the biofuel eligible for the credit. A copy of the certificate must be attached to the return. Complete and enclose the worksheet available at www.maine.gov/revenue (select Forms/Publications) or by calling (207) 624-7894. 36 M.R.S.A. § 5219-X.

Line 17. PINE TREE DEVELOPMENT ZONE TAX CREDIT. A taxpayer engaged in the business of financial services, manufacturing or a targeted technology, as defined by 5 M.R.S.A. § 15301, that is located within a Pine Tree Development Zone may be eligible for an income tax credit. In order to be eligible, the taxpayer must add new, full-time jobs that meet certain wage requirements and that offer the new employees retirement and health care benefits. Application for certification must be submitted to the Department of Economic and Community Development. For tax years beginning after 2003, a tax credit is available equal to 100% of the tax liability for each of the first five years the qualified business is required to file an income tax return with Maine. The credit is 50% of the Maine tax liability for each of the second five years the business is required to file an income tax return with Maine. For further information, the credit application worksheet, instructions and forms, see the MRS web site at www.maine.gov/ revenue (select Forms/Publications). 36 M.R.S.A. §§ 2529 & 5219-W.

LINE 18. OTHER TAX CREDITS. Enter on this line the sum of the following credits. List on line 18 the credits claimed. Complete and enclose the worksheet available for each credit claimed at www.maine.gov/revenue (select Forms/Publications) or by calling (207) 624-7894.

- JOBS AND INVESTMENT TAX CREDIT. A taxpayer, other than a public utility, may claim a tax credit for qualified jobs and investment subject to limitations. Eligibility for the credit requires the addition of (1) \$5 million of IRC § 38 property based on the Internal Revenue Code of 1954, as of December 31, 1985, § 38(b)(1), and (2) 100 new employees attributable to the investment in Maine during the 24 months after placing the property in service. This credit is limited to \$500,000 or the Maine income tax due, whichever is less. Jobs created between August 1, 1998 and October 1, 2001 must be covered by qualified retirement and health insurance plans and wages must be greater than the average per capita income in the labor market area in which the employee is employed. Carryover provisions apply. 36 M.R.S.A. § 5215;
- CLEAN FUEL CREDIT. The credit equals 25% of expenditures made or incurred from January 1, 2002 to December 31, 2005 for construction, installation of, or improvements to any filling station or charging station in Maine for the purpose of providing clean fuels to the general public for use in motor vehicles. The credit automatically expires January 1, 2006. 36 M.R.S.A. § 5219-P;
- EMPLOYER-PROVIDED LONG-TERM CARE CREDIT. An employer may claim a credit for expenses incurred in providing long-term care policy coverage as part of an employee benefit package. To qualify, the insurance policy on which the premiums are paid must be certified by the Maine Bureau of Insurance or the policy must meet the federal definition for a long-term care insurance contract (IRC § 7702-B(b)). The credit is limited to the lowest of \$5,000, 20 percent of the cost incurred, or \$100 per employee covered. 36 M.R.S.A. § 5217-C;
- FAMILY DEVELOPMENT ACCOUNT CREDIT. This credit is available to contributors to family development matching fund accounts. The Finance Authority of Maine certifies the allowable credit for each contributor. A copy of the certificate must be attached to the return. The credit is nonrefundable and must be taken after all other credits. Amounts claimed may not be claimed as itemized deductions for Maine purposes. Other limitations apply. 36 M.R.S.A. § 5216-C;
- CREDIT FOR DEPENDENT HEALTH BENEFITS PAID. Employers that offer a qualified health benefit plan and that employ fewer than 5 employees may qualify for a credit equal to the lesser of 20% of the dependent health benefits paid by the employer or \$125 per employee with dependent health benefits coverage. A taxpayer that employs 5 or more employees after qualifying for the credit may continue to qualify for the credit for another 2 years. The credit is limited to 50% of the income tax due. The credit is subject to additional restrictions. Carryover provisions apply. 36 M.R.S.A. § 5219-O;
- HISTORIC REHABILITATION CREDIT. The credit is equal to the amount of the federal credit for rehabilitation of certified historic structures located in Maine. The credit is nonrefundable and is limited to \$100,000 annually per taxpayer. The credit is subject to the same recapture provisions as under the Internal Revenue Code. 36 M.R.S.A. § 5219-R;
- QUALITY CHILD CARE INVESTMENT TAX CREDIT. Individual taxpayers making certified quality child care investments of no less than \$10,000 qualify for a credit equal to \$1,000 each year for 10 years, plus \$10,000 at the end of the 10-year period. The credit is nonrefundable; however, unused credit amounts may be carried forward until used. The Maine Department of Health and Human Services ("DHHS"), Office of Child Care and Head Start must certify eligible investments. For questions about quality child care services and the certification process, call DHHS, Office of Child Care and Head Start at (207) 287-5099. 36 M.R.S.A. § 5219-Q;
- INVESTMENT TAX CREDIT/SOLID WASTE REDUCTION INVESTMENT TAX CREDIT. Enter the amount of Investment Tax Credit or Solid Waste Reduction Investment Tax Credit that is carried forward to this tax year.

Line 21. ALLOWABLE CREDITS. The credit amounts claimed on Schedule A are not refundable. The credits, except for the Pine Tree Development Zone Tax Credit, cannot be applied against the Maine Minimum Tax. NONRESIDENT AND PART-YEAR RESIDENT INSTRUCTIONS

Nonresident individuals, including individuals who were nonresidents for only part of the year, who have Maine-source income (described below) may owe a Maine income tax. The Maine tax is determined by first calculating a tax amount as if the nonresident were a Maine resident and then reducing that amount by a "nonresident credit." The Maine tax is calculated on the basis of the nonresident's entire federal adjusted gross income and the Maine income modifications, itemized or standard deduction, personal exemption amount and credits. The nonresident credit is based on the amount of non-Maine source income. The nonresident credit is calculated on Schedule NR or Schedule NRH. **Note: Nonresident minimum taxability threshold: You may not be required to file if the number of days worked in Maine as an employee is 10 or less and your only Maine income is compensation for personal services. See 36 M.R.S.A. §§ 5142(8) and 5220(2).**

INCOME SUBJECT TO MAINE INCOME TAX:

A part-year resident is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A nonresident individual is subject to Maine income tax only on taxable income derived from sources within Maine. This includes the following:

- Salaries and wages earned working in Maine, including all taxable benefits such as annual and sick leave;
- Distributive share of income (loss) from partnerships and S Corporations operating in Maine;
- 3. Shares of trust and estate income derived from Maine sources;
- 4. Income (loss) attributed to the ownership or disposition of real or tangible personal property in Maine; and
- Maine State Lottery or Tri-State Lottery winnings from tickets purchased within Maine on or after July 13, 1993, including payments received from third parties for the transfer of rights to future proceeds related to Maine State Lottery or Tri-state Lotto tickets purchased in Maine.

Income from intangible sources, such as interest, dividends, pensions, annuities, gains or losses attributable to intangible personal property, is not Maine-source income **unless** it is attributable to a business, trade, profession or occupation carried on in Maine.

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

Read the instructions on page 4. You must file Schedule NR if you are a nonresident or part-year resident individual required to file a Maine return, have income not taxable by Maine, and are using the same filing status used on your federal return.

You may elect to file single on the Maine return using Schedule NRH only if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine, but only one of you has Maine-source income. The nonresident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married separate.

IMPORTANT: Complete Worksheets A and B before completing Schedule NR or Schedule NRH. Also complete Worksheet C (Employee Apportionment Worksheet), if applicable. For a copy of Worksheet C, go to the Maine Revenue Service web site at: www.maine.gov/revenue (select Forms/Publications) or call 1 (207) 624-7894 (to order).

INSTRUCTIONS for WORKSHEET B - Income Allocation Worksheet for Nonresidents/Part-year Residents

Part-year resident and nonresident individuals **must** complete *Worksheet B* to calculate Maine-source income for the entire taxable year. Married persons filing separate Maine income tax returns must complete separate Worksheets B.

Part-Year Residents: If you are unable to determine the exact amount of income, other than wages, earned during the period of Maine residency, divide the total income earned by 12 and multiply the result by the number of months you were a resident. This method can be used to allocate interest, dividends, pension or annuity distributions or other income received from intangible sources. Generally, this method cannot be used to determine Maine-source business income, rental income, or capital gains since this income is determined on the basis of where the business activity occurs or the location of the property.

NOTE: If you are filing Schedule NRH, DO <u>NOT</u> include your spouse's income on Worksheet B.

Column A – Federal Income. Enter the amounts of income as reported on your federal return. Both nonresident and part-year resident individuals must complete this column.

Column B – Maine Resident Period. Part-year residents, enter the portion from column A received during the period you were a Maine resident. If you were a nonresident of Maine for the entire year, skip columns B and C and complete columns D and E.

Column C – Resident Period, income earned outside Maine. Part-year residents only - enter income from column B that you received while a resident of Maine that was earned outside Maine.

Column D – Nonresident Period. Enter income from column A that you received during the period you were a nonresident of Maine. Both nonresident and part-year resident individuals must complete this column.

Column E - Nonresident Period Maine-source Income. Both nonresident and part-year resident individuals must complete this column. Enter income from column D that you received while a

nonresident that was derived from or connected with Maine sources, including income from, but not limited to: 1) services performed in Maine; 2) real or tangible personal property located in Maine; and 3) businesses, trades, professions or occupations conducted in Maine.

If necessary, use Worksheet C (Employee Apportionment Worksheet) at www.maine.gov/revenue (select Forms/Publications) to calculate the amount for column E. line 1.

Instructions for using Worksheet B to complete Schedule NR, line 1.

- 1. Enter Worksheet B, column A, line 15 on Schedule NR, line 1, box A.
- 2. Add Worksheet B, column B, line 15 to Worksheet B, column E, line 15. Enter the total on Schedule NR, line 1, box B.
- 3. Subtract Worksheet B, column E, line 15 from Worksheet B, column D, line 15. Enter the result on Schedule NR, line 1, box C.
- 4. Follow the instructions for Schedule NR in order to complete lines 2 through 9 on Schedule NR.

Instructions for using Worksheet B to complete Schedule NRH, line 1.

- 1. Complete Worksheet B, columns A through E.
- Complete Schedule NRH, column B, lines 1a-1f from corresponding lines from Worksheet B, column A. For example, enter Worksheet B, column A, line 1 on Schedule NRH, column B, line 1a. NOTE: Schedule NRH, column B, line 1f must equal Worksheet B, column A, line 15.
- Complete Schedule NRH, column C, lines 1a-1f by subtracting corresponding lines on Worksheet B, column E, from Worksheet B, column D. For example, subtract Worksheet B, column E, line 1 from Worksheet B, column D, line 1 and enter the result on Schedule NRH, column C, line 1a.
- Follow the instructions for Schedule NRH in order to complete lines 2 through 11 on Schedule NRH.

Instructions for Part-year Residents Eligible to Claim Both the Credit for Tax Paid to Other Jurisdictions and the Nonresident Credit

Generally, a part-year resident cannot claim both a nonresident credit (Form 1040ME, line 25) and a credit for income taxes paid to another jurisdiction (Form 1040ME, Schedule A, line 8). However, when a part-year resident of Maine earns income in another jurisdiction both as a resident and as a nonresident of Maine during the same tax year, the part-year resident may be able to claim both credits. The nonresident credit is calculated first and is based on the income earned while a nonresident of Maine. The credit for income taxes paid to another jurisdiction is calculated next and is based on the income earned while a resident. This is the only time when a part-year resident can claim a credit for tax paid to other jurisdictions. A part-year resident can usually claim a nonresident credit, provided that the individual had income as a nonresident of Maine. Following are examples of when a taxpayer can or cannot claim both credits:

Both Credits Allowable: A taxpayer lives in New Hampshire and works in Massachusetts. In June, the taxpayer moves from New Hampshire to Maine, but continues to work in Massachusetts. This taxpayer could claim both credits. The nonresident credit would be based on the income earned prior to moving to Maine. The credit for income taxes paid to another jurisdiction would be based on the income earned after moving to Maine that was also taxed by Massachusetts. The income earned before moving to Maine, although taxed by Massachusetts, could not be used when calculating the credit for income taxes paid to another jurisdiction because the taxpayer was not a resident of Maine at the time the income was earned.

Nonresident Credit Only: A taxpayer lives in New Hampshire and works in Massachusetts. In June, the taxpayer moves from New Hampshire to Maine. The job in Massachusetts is terminated at the time of the move and a new job is obtained in Maine. The taxpayer could claim a nonresident credit based on the income earned in Massachusetts while living in New Hampshire. The taxpayer could not claim a credit for income taxes paid to Massachusetts because none of the income taxed by Massachusetts was earned while the taxpayer was a Maine resident.

FOLLOW THESE STEPS IF YOU ARE CLAIMING BOTH CREDITS:

- 1. The Maine income tax return begins with federal adjusted gross income, regardless of residency status. This establishes the appropriate tax rate to be applied to the taxpayer's income earned in Maine or as a Maine resident. Complete Maine long Form 1040ME through the Total Tax line (1040ME, line 23). (If filing Schedule NRH, refer to the instructions for Schedule NRH.)
- Complete Schedule A, Adjustments to Tax, exclusive of the credit for income taxes paid to another jurisdiction. The credit for tax paid to other jurisdictions will be calculated later. <u>Do</u> <u>not</u> calculate the Total Credits on Schedule A, line 19 at this point.
- Calculate the nonresident credit using Schedule NR or NRH. Complete Schedule NR or NRH according to the instructions on the form.
- 4. Calculate the Credit for Taxes Paid to Other Jurisdictions on Schedule 3 on page 22. Enter on Schedule 3, <u>line 1</u> the Maine adjusted gross income while a Maine resident (Form 1040ME, line 16 minus Schedule NR, line 6 or Schedule NRH, line 6, column C). Follow the instructions for completing <u>lines 2, 3, and 5</u> on Schedule 3. On <u>line 4a</u>, enter your Maine tax (1040ME, line 20 minus line 25) and multiply the result by the percentage entered on line 3. On <u>line 4b</u>, if income taxes were paid to the other jurisdiction both while a resident and a nonresident of Maine, prorate the amount of income taxes paid to that jurisdiction based on the percentage of the income that was earned while a Maine resident. Enter Schedule 3, line 5 on Maine Schedule A, line 8.
- Complete Maine Schedule A and the 1040ME long form return. Attach a copy of Schedule 3 and Schedule NR or NRH to your return.

INCOME SUBJECT TO MAINE INCOME TAX:

A **part-year resident** is subject to Maine income tax on all income received while a resident of Maine, plus any income derived from Maine sources during the period of nonresidence. A **nonresident** individual is subject to Maine income tax on taxable income derived from sources within Maine. This includes the following:

- 1. Salaries and wages earned working in Maine, including all taxable benefits such as annual and sick leave;
- 2. Distributive share of income (loss) from partnerships and S corporations operating in Maine;
- 3. Shares of trust and estate income derived from Maine sources;
- 4. Income (loss) attributed to the ownership or disposition of real or tangible personal property in Maine; and
- 5. Maine State Lottery or Tri-State Lottery winnings from tickets purchased within Maine on or after July 13, 1993.

Income from intangible sources, such as interest, dividends, pensions, annuities, gains or losses attributable to intangible personal property, is not Maine-source income **unless** it is attributable to a business or profession carried on in Maine.

SHOULD I FILE SCHEDULE NR OR SCHEDULE NRH?

Read the instructions on page 13. You must file Schedule NR if you are a nonresident or part-year resident individual required to file a Maine return, have income not taxable to Maine, and are using the same filing status used on your federal return.

Instead of filing Schedule NR, you may elect to file single on the Maine return using Schedule NRH if your filing status on your federal return is married filing jointly and your residency status is different from that of your spouse or both you and your spouse are nonresidents of Maine, but only one of you has Maine-source income. The nonresident spouse with no Maine-source income does not have to file a Maine return. Do not use Schedule NRH if your filing status on your federal return is single, head-of-household, or married separate.

SCHEDULE NR INSTRUCTIONS

- STEP 1 Complete Worksheets A and B on pages 25 and 26 before completing Schedule NR.
- STEP 2 Complete Form 1040ME, lines 1 through 24.

Find the amount of Maine income tax as if you were a full-year Maine resident. To do this, complete Form 1040ME, lines 1 through 24. Use your total federal adjusted gross income on line 14.

- STEP 3 Complete Schedule NR to compute your Nonresident Credit.
 - **Line 1. Enter your income from Worksheet B on line 1** (see instructions for Worksheet B on page 13). List your total federal income in Box A. In Box B, list only your Maine-source income. List your non-Maine-source income in Box C.
 - **Line 2. RATIO OF INCOME.** Divide your total non-Maine-source income on line 1, Box C, by your total federal income on line 1, Box A. If this ratio is less than 0, enter 0.0000. If it is greater than 100, enter 1.0000.
 - **Line 3. FEDERAL INCOME ADJUSTMENTS NON-MAINE-SOURCE ONLY.** Complete this section only if you have federal income adjustments on federal Form 1040, line 35, or federal Form 1040A, line 20. Multiply your total federal income adjustments by the percentage listed on line 2 of Schedule NR.
 - Line 4. FEDERAL ADJUSTED GROSS INCOME NON-MAINE-SOURCE ONLY. Subtract line 3 from line 1, Box C.
 - **Line 5. MODIFICATIONS NON-MAINE-SOURCE ONLY.** Use this section only if you have income modifications entered on Form 1040ME, line 15. Enter your modifications to income from non-Maine sources. For details on these modifications, see the instructions for Schedule 1 on page 9. Do not include taxable refunds of state and local taxes. Prorate the pension deduction (Form 1040ME, Schedule 1, line 2d) based on the percentage of qualified pension income received as a nonresident.
 - Line 6. NON-MAINE ADJUSTED GROSS INCOME. Add or subtract your total modifications, line 5c, to or from line 4.
 - **Line 7. RATIO OF MAINE ADJUSTED GROSS INCOME.** Divide the amount of your non-Maine adjusted gross income, line 6, by your total Maine adjusted gross income from Form 1040ME, line 16. If this ratio is less than 0, enter 0.0000. If it is greater than 100, enter 1.0000.
 - **Line 8. TAX SUBTOTAL.** Enter your tax subtotal. This is Form 1040ME, line 20 plus line 21 (except minimum tax) minus line 22, minus Maine Schedule A, lines 5 and 7.
 - **Line 9. NONRESIDENT CREDIT.** Multiply the amount on line 8 by the percentage on line 7. This is your Nonresident Credit. Enter the result here and on Form 1040ME, line 25.

Enclose Schedule NR and Worksheets A and B (and Worksheet C, if used) with your Maine return, Form 1040ME. Include a COMPLETE copy of your federal return, including all schedules and worksheets. Enclose W-2 forms from other states or temporary duty (TDY) papers to support your entry in Box C. STEP 3. Complete column B. List Your Income.

If you use the standard deduction on your joint federal return, use the Maine "single" standard deduction. The Maine standard deduction for a single individual is \$4,850 unless you claimed zero exemptions on your federal return. If so, the standard deduction is the greater of \$800 or the sum of \$250 plus earned income up to a maximum of \$4,850. If you are age 65 or over **or** blind, increase the standard deduction amount by \$1,200. If age 65 or over **and** blind, increase it by \$2,400.

Enter your deduction amount (itemized or standard, whichever is greater) on line 8, column B.

Line 9 — Exemptions. You are entitled to claim your own personal exemption plus a portion of the <u>dependent</u> exemptions claimed on your joint federal return. Follow the instructions on Schedule NRH to complete lines 9a, 9b and 9c.

Tax Additions and Tax Credits. Refer to Maine Schedule A on page 21 for tax additions and tax credits. (**NOTE:** The child care credit on Maine Schedule A, line 6 is prorated on the Worksheet for Child Care Credit on page 22). Enter your share on Maine Schedule A to enter the results on Form 1040ME. You may claim 100% of your ownership share of the business credits on Maine Schedule A, lines 9-14 and 16-18.

STEP 4. Complete Form 1040ME. Complete Form 1040ME lines 1-23 using the amounts listed in column B, Schedule NRH. Filing Status: Check Single.
